To Whom It May Concern:

Enclosed please find FEC Form 1, Statement of Organization for "Elaine Hays Congressional Exploratory Committee." Please note that this is not an authorized committee nor a principal campaign committee. This is strictly a committee formed for the purpose of "Testing the Waters" of a congressional campaign. The committee will maintain physical records for all transactions.

It is understood that should I decide to become a candidate, I would need to convert this exploratory committee to an actual campaign committee and file a Statement of Candidacy.

If you have any questions, you may contact me at 806-676-6772.

Thank you for your assistance in this filing,

Elaine Hays
